Commuters Study P.U.C. Letter on Greyhound Stand

Meeting at Acalanes High School Tuesday evening, the Board of Directors of the Contra Costa County Commuters Association received a letter from the State Public Utilities Commission that Pacific Greyhound Lines has declined to agree to accept the maximum loading standards with limit of 110 per cent as suggested by P.U.C. and agreed by the Board of Directors on January 9.

However, the P.U.C. letter stated, Greyhound intends to provide as many seats, or more, than the total number of passengers presenting themselves for transportation at the three points of congestion during certain hours of the business day — Orinda Crossroads, 6:30 to 8:40 a.m., to San Francisco and Oakland; 2nd and Essex Streets, San Francisco, 4:30 to 6 p.m., and 20th and Broadway, Oakland, 4:30 to 6 p.m.

President Aubrey Macomber of the commuter board permitted a lengthy discussion of the letter, and it was finally decided to turn it over to Arthur Bowman and his committee, who have spearheaded the campaign for better service.

TO REPORT BACK

The committee will make a study and report back its recommendations for action to the board.

It was also noted that considerable changes were to be made in San Francisco commute schedules as of January 31, following close on the changes and additional service provided by Greyhound January 17.

Bowman said he had only preliminary studies on the January 17 service and was not ready to report fully as to relief provided, and that it was obvious the January 31 revisions will change the picture greatly.

P.U.C. HEARING?

The P.U.C. letter pointed out that in case the proposed service is not found acceptable to the association the alternative will be to hold a formal hearing before the commission. If it should be found by such a hearing that the service is inadequate, the commission may then issue a formal order to Greyhound requiring it to improve the service.

Such a hearing might be found costly to the association, with expenses for legal fees. The possibility of requesting a hearing will also be studied by Bowman's committee.

Directors found it a fairly general complaint that the numerous changes of schedules are making it difficult for commuters to keep track of the service. It was said that the bulletins put up in a few places are not conspicuous and, referring only to certain schedules, make it most difficult to get a complete picture of what service is available.

FUND DRIVE

President Macomber announced that he had appointed Director Edward F. Klick to take over the campaign to raise $450 to pay legal fees due Attorney Spurgeon Avakian for his services at the rate hearing last year. Klick started his drive to get a dollar from each commuter by passing the hat to the directors, and will approach all commuters within the next week.

'Forgotten' No Longer–Moraga Highlands Area

Only about five months old but determined to do a good job for the community is the Moraga Highlands Association, according to F. R. Hart, president.

Road conditions, sanitation conditions and preservation of property values against depreciation are three of the main concerns of the group, Hart said. He added:

"We feel as if we were the forgotten people of the Orinda area. We harbor no ill will toward anybody, but feel that if we have a strong group we may help others and perhaps can solve a few of our own problems."

The association meets the fourth Thursday each month at different members' homes. Hart is the group's delegate to the Orinda Association's Civic Affairs Committee.

Plane Owners Seek Wind Storm Damage

Warren Yager, Crest View, Orinda, and John B. Beckett, Oakland, owners of a two-place airplane, filed a claim for $700 with the Board of Supervisors last week alleging wind-storm damage to their craft at Buchanan Field.

Yager and Beckett said the plane was severely damaged by winds which turned it over at the county owned and operated field.

Orinda Group to Meet With Henry, District Warden

To speed up civilian defense preparations on a community level and to obtain a clearer picture of the entire civil defense setup, a committee from the Orinda Association's Board of Directors has been named to confer with C. R. Henry of Alamo, district warden for Supervisorial District 2.

The committee, appointed by President Kirk Miles at Monday night's board meeting at Orinda Grammar School, consists of Stanley Allen, Mrs. Thomas N. St. Hill and Jack Buchter. It was agreed that these three and George Eberhart, who is in charge of Red Cross disaster relief work in the area, would meet with Henry.

TO REPORT FEB. 26

A report is to be made at the February 26 board meeting, when it is hoped to have Henry present for further explanation.

Allen, who said he would get in touch with Henry and arrange for an appointment, started the civilian defense discussion Monday night, after Harold Rote asked what was new on the subject, by reporting that Marvin Bonds, outgoing president, had informed him that Henry wanted the new president of the Orinda Association to name a committee to meet with him.

(Bonds was absent from Monday night's session due to a business trip out of town. The meeting was opened by Blalock ,outgoing vice-president, who turned the meeting over to Miles when Miles was elected president.)

BLOOD BLANK SCHEDULES

Mrs. St. Hill mentioned the advisability of working out a regular schedule for Blood Bank visits to the different communities of the area. She also stressed the importance of compiling a list of public buildings with kitchen facilities, for possible use in case of emergency.

It was felt by the board that such problems as these, along with the many other details of civilian defense, would be aided and clarified by conference with the district warden.

Rotary Donates To TV Set Fund; Work Party Sun.

H. G. Stevens, former commander in the Navy and now cashier in the San Francisco office of the American Trust Company, presented an interesting talk on "Russia and the Aleutians" to Orinda Rotary Club Wednesday noon.

Stevens now serves in the Naval Reserve public information office. He has gained knowledge of his subject through time spent in the Aleutians during World War II and study of Russia and its people pursued since.

Rotarians were reminded of the need for volunteers in the Red Cross Disaster Relief program, which is headed in Orinda by George Eberhart. Eberhart was complimented on his activity in spring progress of the program in this area.

The club donated $25 towards the fund to purchase a television set for Camp Stoneman Hospital. Proceeds from a money-raising plan at the next Rotary meeting will also go towards the purchase.

Dr. Philip Konigsberg, who leaves tomorrow for a Texas camp where he will be a member of the Dental Corps, was given a gift on behalf of the club. Dr. Ted Lyon and Dr. Jim Wasley made the presentation.

President Frank Olson asked for volunteer workers to clear trees and brush from in front of the new welcome sign which has been installed at the eastern end of the Crossroads. The work crew will report Sunday for the job and at that time the service club emblems may be added to the sign.

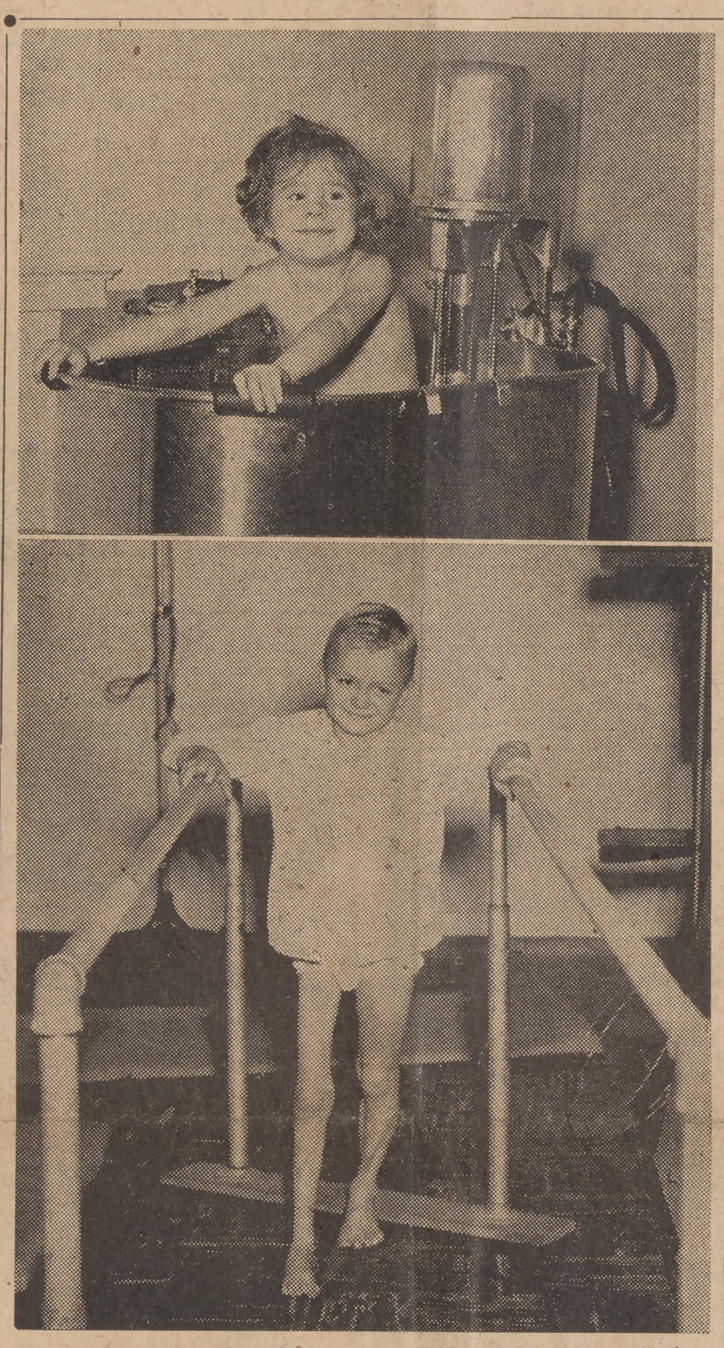
Tryouts Set for 'Idiot's Delight'

Try-outs for their most ambitious undertaking in play presentation, production of "Idiot's Delight," a Robert E. Sherwood drama, will be held at Orinda School auditorium Monday night by Orinda Dramateurs.

Since the play calls for the largest cast of characters of any previous production staged by the Orinda little theater group, an invitation to all interested persons has been extended for the 7:30 p.m. tryouts.

There are roles for a number of secondary leads in the production which is an interesting and timely one with a European setting, dealing with reactions of people trying to escape from war.

Edward O'Brien will direct this newest presentation of Orinda Dramateurs. Production is slated for April 6 and 7 at Acalanes High School auditorium.



MARCH OF DIMES IN ACTION at Mt. Diablo Child Therapy Center is vividly symbolized by such scenes as these. Above, little bathing beauty Jeanne Turgeon takes a turn at "the whirlpool" donated by Acalanes High School students. Below, Jimmy Strange says "I can make it" as he exercises on the walking apparatus. The Therapy Center, which recently moved to its new quarters in Walnut Creek, is maintained by contributions made directly to it but is able to handle many more patients because of the March of Dimes. Last year the Contra Costa Chapter of the National Foundation for Infantile Paralysis paid for treatments for 50 patients. Total amount so paid for these treatments was about $3,000. This amount was supplemented by payments made directly to the center by patients. The polio foundation pays the entire amount when a family is unable to pay any of the charge. Treatments vary from an hour once a week to six hours a day, five days a week. Progress made by patients is a source of great satisfaction to all who have contributed to the center and the March of Dimes. — SUN photos by Mattson

Moraga Highway Problems Discussed By Association Board of Directors

Widening of Moraga Highway between Golden Gate Road and Camino Encinas, with the widest enlargement, about five feet, to be in front of Orinda Hardware and Sprouse-Reitz Company, will be undertaken by the county when steady favorable weather sets in, it was indicated at the Orinda Association board meeting Monday night.

Stanley Allen, new director, told the board, in session at Orinda Grammar School, that Planning Commissioner John L. Stoffel is "getting some paper work done" in connection with the project. Allen said he expected to see Stoffel and Supervisor Jack Cummings about the subject prior to the next association board meeting.

A letter to ougoing President Marvin Bonds from Herbert Hauser, complaining of speeding on Moraga Highway, was read. Vice-President Horace Breed said he would get in touch with Captain G. A. Belon of the California Highway Patrol and with the sheriff's office, and would report back at this month's board meeting.

PRAISE OUTGOING OFFICERS

On motion of Kendrick Morrish, a resolution was passed commending Bonds and other outgoing officers and directors and expressing "appreciation to the directors for their unselfish work."

Outgoing Secretary Mrs. Ernest Spiegl reported that the association is trying to learn if it is possible to have some $300 in taxes waived for the seven and a quarter acres of Community Center land, on the basis of the land being for a future public project.

'FUTURE OF COMMUNITY'

"In any case, we have to hold on to the land for the future of the community," she declared. To this the directors heartily agreed.

The board decided that future monthly meetings, which are held the fourth Monday, start at 7:30 instead of 7:45 p.m.

"Maybe we'll get through a little earlier," one of the directors hopefully remarked.

Funeral Rites Held For Mrs. Layne

Private funeral services were held last Friday for Mrs. Minnie M. Layne, 69, of 40 La Bolsita Way, Bay area resident for 50 years, who died in a San Francisco hospital January 25.

Mrs. Layne was a native of Butte, Montana. She had lived in Berkeley and Oakland since 1900 and had been a resident of Orinda for the past 15 years.

She is survived by her husband, William Robert Layne, a retired engineer; a daughter, Mrs. Bettye Miner; a son, Richard M. Layne who is operator of a chain of optical offices, and two other sons, Robert F. and William H. Layne.

Albert Engle Company of Oakland was in charge of the services.

Orinda Squads of Sheriff Reserves Start Training

As part of the stepped-up civilian defense activities of this area, five Lafayette squads and two Orinda squads of sheriff's reserves are now being trained, it was announced this week by George K. Burton, vice-chairman of the Contra Costa Civil Defense and Disaster Relief Council.

At his office in Martinez, Burton disclosed that these seven squads are under the direct command of "Hap" Robertson of Lafayette, who has been placed in charge of sheriff's reserves in the Central Division of the county.

ON JOB TWO WEEKS

Robertson assumed his present duties about two weeks ago, Burton said. Robertson's assistant, he said, is Benjamin L. Chapman of Lafayette.

Each squad consists of six men, making a total of 30 men in Lafayette and 12 men in Orinda, according to Burton.

Al Rhodes, in charge of the law enforcement branches of the county civil defense setup for the unincorporated areas, pointed out that sheriff's reserves form a different category from that of wardens. In effect, they are specially deputized sheriff's men, for civil defense and disaster relief work.

Plans are for early organization in the central portion of the county of some 80 sheriff's reserves, all under command of Robertson, Rhodes said.

Throughout the county, Rhodes added, the goal is a force of 200 to 250 reserve officers.

JU-JITSU COURSE

First step in the training of Lafayette and Orinda squads, which has already begun, is a nine-week course of ju-jitsu (judo). With Professor Ray L. Law of Contra Costa Junior College as instructor, classes are being conducted at Law's gymnasium in the old Sun office on Moraga Road in Lafayette.

"After completion of the ju-jitsu course the men will be given a course in first aid," Rhodes said. "Following that, plans are for a lecture course in public relations, arrest, patrol procedure, and evidence.

"If the men desire it, further training in law enforcement will come later. But the two main training steps are ju-jitsu and first aid."

RADIOLOGICAL CLASS

Burton announced that 56 students from police and fire personnel throughout the county, including Fire Chief Shirley Peakes of Lafayette, took a six-hour class in radiological safety last Saturday in Martinez.

Instructor was F. O. Willie of Concord. The class was arranged for the county civil defense council by Contra Costa Junior College, Burton said.

Rhodes said he organized the two Orinda squads of sheriff's reserves last Friday night, at a group gathering at Al Eberlin's Orinda Motors.

Two of the Lafayette squads, he said, are made up of men who had similar experience in World War II.

Appraisal Shows $178,219 Estate Of Mrs. Hubbard

A value of $178,219 was placed on the estate left by Mrs. Georgie Strong Hubbard, prominent Orinda resident, it was disclosed in an appraisal filed last week with County Clerk Walter T. Paasch. Mrs. Hubbard was the widow of Charles P. Hubbard, telephone company official.

Mrs. Hubbard, who was a cousin of Alexander Graham Bell, died in Oakland last August 26. She was a daughter of the late George H. Strong, patent attorney.

Bequests totaling $22,500 were provided in Mrs. Hubbard's will, written April 11, 1950. Mrs. Lillian S. Campbell, 7 Via Farallone, her sister, was named beneficiary of income from a trust fund during her lifetime. Upon Mrs. Campbell's death, the residue will be paid to her son, Edward Strong Campbell, president of a Seattle glass firm.

Ethel Lawson Elliott, Oakland, her maid, was left $500, and relatives were willed amounts ranging from $1,000 to $10,000.

State Inheritance Appraiser Walter A. Ormsby prepared the inventory. The petition for probate of the estate was filed by the sister through the law firm of Heller, Ehrman, White and McAuliffe, San Francisco.

Kirk Miles New President of Orinda Assoc.

New president of the Orinda Association, unanimously elected at Monday night's Board of Directors meeting at Orinda Grammar School, is Kirk Miles.

Miles, who succeeds Marvin T. Bonds, has been a board member for the past year and has another year to go as a director. He has taken an active part in the organization's work.

Horace Breed was chosen vice-president, to succeed Andy Blalock, whose term as a director expires, and Norman Coates was named board secretary, succeeding Mrs. Ernest Spiegl.

NEW BOARD MEMBERS

Election of officers occurred after the newly elected members of the board had been seated. These new members, chosen by the membership, are Stanley Allen, Kendrick Morrish, Jack Buchter, Mrs. Thomas N. St. Hill and Coates.

To fill the unexpired term on the board of Bob Clough, who recently moved to Alamo, the board appointed Mrs. Ned De Laveaga. Her term runs until the end of 1951.

HOLDOVER MEMBERS

Holdover board members are Bonds, Miles and Breed. Outgoing directors are Mrs. Spiegl, Blalock, Bob Spott and Wayne Littlejohn.

Coates, No. 5 in the number of votes received, also serves for one year, filling the unexpired term of Fred Theile, who moved out of the area. Several months ago the board named Harold Rote to replace Theile for the balance of 1950.

Each of the other new directors will serve two years. In the order of votes received they ranked: Allen, Morrish, Buchter and Mrs. St. Hill.

"I deeply appreciate the honor," Miles said after being elected president. "There's a lot of work to be done, and I'll have to call on all of you for help."

Mrs. De Laveaga was sixth in the recent election of directors. Seventh was Rote, and eighth was Joseph De Costa.

Orinda Assoc. Votes to Join Highway Group

With the recommendation that organizations belonging to the Orinda Association "consider favorably representation on the council," the Orinda Association, by unanimous vote of its Board of Directors, became officially affiliated with the Diablo Highway Improvement Federation this week.

Board action, on motion of Kendrick Morrish, followed an extended report by Horace Breed, who is a member of the highway federation board.

Breed explained that the Federation has a board of 11 members representing various areas and a council "made up of numerous organizations in the whole area."

Major objective of the Federation, Breed explained, is to obtain state highway and county road improvements, with a second tunnel through the Contra Costa County hills as a long-range goal.

Breed reviewed efforts of the federation to have heavy trucks on the highway rescheduled from peak morning and evening hours and to get the county to utilize secondary roads so as to siphon off some of the congestion from Mt. Diablo Boulevard.

He stressed that the problem of Orinda Crossroads is one being given serious study by the federation.

Sleepy Hollow Group to Meet

The Sleepy Hollow Association annual general meeting will be held Thursday evening at the Orinda Grammar School auditorium, 8:00 p.m.

Dr. James Seaman will preside. Nomination and election of the Board of Directors for the coming year will be voted upon at this time.

Sewer installation, road improvements, and other important matters will be discussed, so all members are urgently asked to attend.

March of Dimes Drive Extended To February 15

Extension of the 1951 March of Dimes appeal to February 15 was announced today by Joseph L. Sheaff, March of Dimes Orinda chairman.

"The people of the community have shown by their enthusiasm and size of contributions that they are willing to give," Sheaff declared.

"This extension of time should wind up the drive 100 per cent. March of Dimes chairmen throughout California have urged continuation of the drive.

"Considerable help can be had from the March of Dimes cards which were distributed by mail and are yet to be returned. These cards should be turned in promptly."

Acalanes Prepares Testing Program

A comprehensive four-year testing program will start this year at Acalanes High School, according to Leland Russell, head of the Acalanes counseling department.

Russell stated that the new testing setup will have seven specific objectives: to serve as a basis for individual guidance, to enhance diagnosis by the teacher for remedial work with students, to provide a means of evaluating the contribution of the school curriculum each year for each child, to calculate the social and educational development of each student, to assist teachers in making individual assignments to meet the need of every child, to serve as a rapport builder between parents and students by letting parents know more about their child's aptitudes and interests, and to serve as a key for possible therapy work with emotionally disturbed students.

Objectives of the new testing program will be implemented through recognized achievement, aptitude, intelligence, vocational and personality tests strategically placed through the four years of high school. These tests will be administered to all students.

A standby battery of aptitude, intelligence and personality tests that deal with specific growth problems will be used on a selected basis where the tests might provide additional helpful information.

Mr. Russell added that information from the counseling office is available, with limitations, for reference by prospective employers as well as students, parents and teachers.

Garden Club Elects Officers for 1951

Over 90 members attended the regular monthly meeting of Mt. Diablo Men's Garden Club at Planters Dock Monday evening. Officers for the new year were elected as follows:

President, George Conner, Alamo; vice-president, Del Armstrong, Walnut Creek; secretary, Lloyd Smith, Martinez, and treasurer, Talbert Taylor, Martinez.

Bill Stoeckle of Concord gave an interesting talk on camellias, in place of John Edwards, whose illness prevented his scheduled appearance. Date for the annual ladies' night was tentatively set for February 26.

Meet Torch, Glitters, 2 New Flowers Named as '51 All-America Selections

By BERT WRIGHT

GARDEN NEWS interest centers in the announcement of the All-America introductions each year.

Two new flowers, both easily grown annuals from seed, merit that cherished recommendation and are ready for wide planting this spring.

TORCH TITHONIA, the Golden Flower of the Incas, or sometimes called Mexican Sunflower, brings us a new bush form and luxuriant foliaged plant to carry its many long-stemmed, fiery orange-scarlet flowers.

It gets the elusive silver medal and is widely adapted all over America and southern Canada.

GLITTERS MARIGOLD gets the bronze medal and only other All-America flower award of 1951 introduction.

Large, fully double chrysanthemum-flowered, clear yellow, this tall and erect, bushy marigold brings refreshing color to the garden.

WITH THE MOST exciting color in flowers, Torch Tithonia is the same fiery scarlet, actually the richer "Grenadine red," according to Ridgeway's color standards, as the Fireball variety.

However, Torch is much earlier to bloom and with its uniform, chest-high, grayish green bushy plant, it is far more desirable for garden use than its tall-branched forerunners.

Torch is aptly named for its flaming color. It is classed as a tender annual, stands the summer heat and seems free from all diseases. Reaching about four feet in height and some two feet across in an erect and bushy plant, the large leaves make an attractive foliage plant.

Then the straight and wooly, wiry stems project the blazing three-to-four-inch single Dahlia-like flowers with golden center discs. The blooms are grand for cutting, provide striking arrangements and make one feel as if on a trip through the glowing desert flowers of old Mexico.

GLITTERS MARIGOLD is now to be offered for the first time, and seeds, as with Torch Tithonia, may be obtained from leading seedmen all over the United States and Canada.

Growing 30 to 50 inches tall, uniform and bushy erect in habit, the attractive foliage is dark green, a rich background for the clear yellow blooms. On straight stems, three to four-inch double flowers are chrysanthemum-like and with fringed outer petals.

Glitters is earlier to bloom than "mammoth Mum" and not as tall. It has the growth habit of "Golden Bedder," although lighter in color and larger flowered.

Glitters is a distinct addition to these previous All-America marigolds, delightful for cutting as well as a colorful and free-blooming garden attraction.

Hi-Lites on Hi-Life

By DON and DONNA

SOMETIMES it sounds just like home to hear the beefing about how things are run by the office, the Citizenship Committee and just about every other bit of authority.

The big difference is going to be next month, when the big beef starts with pop demanding absolute quiet to tear out what's left of his hair over the income tax papers.

Looks like Joan is going to leave no stone unturned in her expose of the workings of the Cit. Com.

THERE WERE some almost heart failures when, with half the decorations finished, there was an agitation to change the whole darned theme of the gym for tonight's Junior Prom.

The Oriental theme, complete with garden and Chinese temple, will be "it," nevertheless. Hope there won't be any "reds" showing up.

NEVER have there been so many prospective thespians as tried out in the cafeteria.

In fact, for a while it was doubtful if all those who wanted to try out could have a chance, but after the first couple of sessions the ranks thinned out.

We hear that **some** of the tryees were interested mainly because it meant one more line on that space in their college entrance application entitled "extra curricular activities" or words to that effect.

IN THE BLUEPRINT gossip column is expounded the well-known fact that everyone wants gossip—as long as it's not about him, or his good friends.

We can go a step farther—even more complain when their names don't get in at all. (Notice how few we use?)

A LOT OF GUYS and gals who signed up for Ski Club and then let it drop (for lack of dues) rushed to pay up when they saw those cars with the ski carriers on top in front of the school when the first group went up.

Now they're counting the days until their turn (and watching weather reports like mad).

Some had momentary qualms when they saw the limping from stiff muscles, and then started doing nip-ups to get into condition, we'll bet!

We just have one remark about that assembly when the fellow spoke on narcotics and the evils thereof.

It seemed to us that he made the pipe-dreams pretty attractive, but after one whiff of that stuff, it seems to us that it would wake the dead. But we guess you could get used to anything if you worked at it hard enough, but what a way to get "ahead." Get it?

WHOOPS—sorry, Ted! We should have put Ted Hall as having enlisted in the Army—not the Navy—and his graduation year as '49, not '50.

Oh, well, these things will happen! Any more?

Annual Flowers To Be Garden Course Subject

"Annual Flowers for the Summer Garden" was the topic of discussion at the second meeting of a Home Gardening course Tuesday at the Walnut Creek Women's Club, Lincoln and Carmel Avenues, Walnut Creek.

The lectures are presented by the Contra Costa Junior College, East Campus, and are free to the public. Instructor Ernest Wertheim, well known San Francisco landscape architect, commented on types of to be used for summer color to get maximum effects. A question and plants to be used for summed color to get maximum effects. A question and answer period followed.

Diamond K Sez . . .

NOW THAT THE weather has improved why not fill in those holes in your driveways and turn-around areas? If you got stuck in the last rains, be prepared for the next ones. The best way to prepare is to call Diamond K and have us bring over a load of base rock or gravel and fill in the ruts.

NOW THAT THE ground is soft, this is an excellent time to put up a fence. After all, digging the post holes is half the battle. Grapestakes are available now along with all types of wire fencing. So, if you want any information or ideas, drop in and we will be happy to talk them over with you.

DIAMOND K CARRIES a full line of garden sprays and fertilizers. By now you should have your dormant spraying program in full swing and how about your winter mulching? There is nothing better for mulching your garden and flower beds than organic manure. Whether you want it by the sack or the cubic yard, we are ready to take care of you.

We still have firewood and coal, so if the cold snap has had you worried, let us solve it for you. We are as close as the nearest phone.

See you next week —

Plan Participation In Award Program

Acalanes Union High School will take part with other schools in Northern California this coming spring semester in the statewide Achievement Awards program being sponsored by the Bank of America.

Cash prizes and over 2600 certificates and trophies will be awarded high school students for scholastic achievement, promise of future success, and service to society.

Purpose of the program is to stimulate and encourage students in their academic, vocational and citizenship training, achievement.

The state is being divided into zones. Basis for the zonal contest will be proficiency in four general fields. More than $16,000 is being awarded in the final phases of the contest in just Northern California alone.

Propose Change In Supervisorial Districts Setup

Suggestion that a 15-citizen committee study the question of rearranging Contra Costa County's five supervisorial districts was under study by the Board of Supervisors this week.

Proposal that the board name such a committee was made last week by the Pomona Grange. A resolution presented to the supervisors urged such action.

GEOGRAPHY, POPULATION

Geographical locations and shifts in population in the present district boundaries should be taken into account, the Grange said.

The Grange had ordered copies of the resolution to be sent to the Board of Supervisors and to the County Grand Jury.

ASSEMBLY DISTRICTS

In another resolution, the Pomona Grange called for one of two proposed assembly districts in the county to be made up entirely of Supervisorial District 1. Under this proposal, the remainder of the county would constitute the second assembly district.

This resolution, like the one on supervisorial districts, was submitted to the Board of Supervisors. Also, it was sent to Assemblyman Robert L. Condon and State Senator George Miller, Jr.

Condon recently introduced a bill asking for Contra Costa County to be split into two assembly districts and one to have one full congressional district. At present, this county and a part of Alameda County form the Sixth Congressional District.

T-Bone's Daughter, 4, Recovering from Burns

Little Silver Jonda, 4, is recovering from severe burns caused by upsetting of a kettle of steaming soup in the kitchen of her father's restaurant, T-Bones, on Mt. Diablo Boulevard, east Lafayette.

Although the youngster suffered first, second and third degree burns about the body, Dr. P. F. Winn, who attended her, said she would probably have had more serious injuries if she had not been wearing heavy jeans which protected her.

Seek Horsemen To Work With Civil Defense

Approximately 12 horsemen of the Orinda-Lafayette Area are urgently needed to volunteer for patrol duty in case of any emergency, under the recently organized Mounted Civilian Defense Unit.

This mounted unit organized by the horsemen of Contra Costa County at the instance of Civilian Defense Director, Sheriff James N. Long, is now in the process of receiving instructions under Civilian Defense Law Enforcement Director, Allen Rhodes.

Civilian Defense Director, Sheriff James N. Long, has declared that we can not minimize or treat with apathy the grave emergency and possible catastrophe facing our County and that an integral part of our over-all plan of Civilian Defense to cope with the situation will be that assigned to the mounted defense units.

All volunteers for this activity must receive approximately 20 hours of essential schooling to prepare themselves for the task. This schooling has already started, and so that volunteers from the Orinda and Lafayette areas that respond to this appeal may be incorporated into the program, they must contact Chairman for Mounted Defense Units, George Cardinet, Jr., 5301 Pinehollow Rd., Concord, phone Concord 3131, no later than Sunday, February 14.

Name Committee

Pauline Johnson, of Lafayette; Thomas F. McBride, Concord, and Matt S. Walker, Martinez, were appointed to plan arrangements for a dinner dance to be given in April by Contra Costa County Democrats. The County Democratic Central Committee met last week.

Preparation of a digest of bills before the state legislature and a report to the central committee at the February meeting was made the responsibility of Judge S. C. Masterson and Hugh Caudel of Richmond, C. A. (Cappy) Ricks of Martinez and William R. Martin of San Pablo who were named to the legislative committee.

Plans were also initiated for a town hall program at which State Senator George Miller Jr. and Assemblyman Robert Condon would appear during current legislature recess to report on measures that are under consideration.

G.O.P. Finance Group Appointed

Groundwork for the financing of 1952 G.O.P. campaigns will be laid by three committees appointed last week at a meeting of the United Republican Finance Committee of Contra Costa County held at Orinda.

Chairman William Fleager named Robert Pedder, 1946 Republican assembly candidate, as chairman of the budget; Thomas St. Hill as head of the speakers' committee and Will R. Sharkey Jr., as publicity chairman.

The budget committee led by Pedder is scheduled to meet next Tuesday to discuss plans. Members include Max Wilcox, Richmond; Melvin Jacobus, Orinda; Ardis Myhre, Kensington, and Jim Rich, Martinez.

Approximately $3,000, raised by the committee during the 1950 campaigns, was disbursed to campaign committee and Republican clubs throughout the county on a basis of requests for funds, Fleager revealed.

The publicity committee members are Norman Gregg, Lindsay Spate and Herman Klein and those on the speakers committee, Bob Blake and Bill Freeman.

Republicans Plan Lincoln Day Dinner

Republicans of Contra Costa and Alameda Counties will join forces this year in their annual observance of Abraham Lincoln's birthday.

A Lincoln's Day Dinner, with the featured speaker being the Honorable Herman Welker, U. S. Senator from Idaho, will be held Saturday night, February 17, at 7 p.m. in the Hotel Claremont of Berkeley.

Senator Welker was selected through the offices of the Republican National Committee as "a Republican fireball whose tremendous enthusiasm and evident statesmanship will inspire all California Republicans."

Dinner tickets priced at $3.75 per plate may be purchased through the Orinda Women's Republican Club, Mrs. T. N. St. Hill, president, phone Orinda 2454; and Lafayette Women's Republican Club, Mrs. Sumner McAllister, president, phone Lafayette 4630.

Civil Defense Council Seeks Volunteers

A meeting of the Contra Costa County Civil Defense and Disaster Corp was held January 21, in the auditorium of the Junior High School in Martinez.

A call for volunteers in the block warden service of the recently formed Civil Defense group was urgently requested by John Garson, Chief District Warden for the Third Supervisorial District.

Mr. Garson stressed the mutual aid character of the defense plan. and reiterated the need for at least three thousand block wardens to get the organization properly set up. Everyone is asked to contact the block warden in his neighborhood and sign up at once, so that the success of the plan is assured.

Sheriff James N. Long administered the oath to defend the Constitution to those volunteers just inducted. In a short address, he pointed out the problems facing Contra Costa County, when its industrial potential brings in a vast number of new residents and joined with Mr. Garson in urging all citizens to volunteer in this important work.

Assistant District Warden Walter Chandler, who had seven years experience with the British Ministry of Defense as a warden during the blitz, was instrumental in that organization supplying a film "Ordinary People" which depicted the courage and good sense of the British in carrying on their normal lives as much as possible in face of the tremendous forces of the Blitz. It pointed up some of the problems which are facing this nation today.

Also introduced were George Burton, Chief Radio Engineer of the Sheriff's office and Coordinator of the local defense plan; C. R. Henry, Chief District Warden for District Number 2; Rear Admiral Rocha, USN, ret., Allen Rhodes, Training Officer of the Law Enforcement facilities of Contra Costa County; Leonard M. McClintock, City Administrator for Martinez and also Administrator for Martinez Civil Defense.

EVERYONE NEEDED

A training program and training aides, directed by the Federal Government, will get started about March 1.

Everyone is needed in this program, and it is hoped that those who have not done so, will immediately contact their local block warden and volunteer their services.

Those accepting applications in the various localities include: Theodore T. Merry, Diablo Zone Warden, Rt. 3, Box 2002, Lafayette; and Sun Valley Improvement Association through Bill Adams.

Happy Birthday to Scouts, Our Citizens of Tomorrow

An Editorial

February, a month of notable birthdays, sees the celebration of the "birthday" in which all Americans can properly join. Boy Scout Week, February 6 to 12, reminds us that one of America's largest youth organizations has reached another milestone.

The Boy Scouts of America has reached its 41st anniversary. Since February 8, 1910, more than 17,750,000 American boys and men have been influenced by the Scout Oath and Law. They have benefited by using their leisure-time energies in outdoor living and activities of cultural and practical values which lead boys to become dependable men.

Today over 2,750,000 boys and men are actively enrolled in over 75,000 different units. Fortunate indeed are communities like Lafayette and Orinda where Scouting flourishes.

American adults of good character give generously of their time to give leadership. Others help by raising funds and are members of local Boy Scout Councils which in turn provide training for leaders, camp facilities, worthwhile year-round activities, personal advancement and opportunities for scouts to render community service.

In celebration of this birthday, the Boy Scouts are engaged in a nationwide clothing collection to meet emergency needs abroad, are stepping up their training for civil defense and are promoting greater interest in conserving the nation's natural resources.

May you have many more happy birthdays, Boy Scouts!

Municipal Court Plan Scheduled Again Before Board of Supervisors Feb. 19th

Proposed redistricting rearrangement of the inferior court setup in the county is scheduled to come up again before the Board of Supervisors on February 19.

When the supervisors met Monday of this week a large group of constables and justices of the peace was on hand, asking that their views be considered.

A letter from President Edmund S. Barnett of the Walnut Creek Area Chamber of Commerce asked favorable consideration for establishment of a municipal court in Walnut Creek, on the basis of combining Townships 3 and 4.

Assistant District Attorney Wakefield Taylor reported that a Bar Association committee on the subject needed additional time before making a recommendation, so the supervisors continued the matter to the 19th.

DRAINAGE DISTRICT BOUNDARIES

County Surveyor Joseph Barkley and Supervisor Ray S. Taylor were scheduled to get together this week and agree on boundaries of a proposed drainage district which would take in the recently flooded areas in the vicinity of Concord.

This preparatory step was decided on by the Board of Supervisors Monday.

SOIL CONSERVATION DISTRICT

Since Gerald Deardorff of Danville, Philip Bancroft, Jr., of Concord and Thomas S. Vanasek of Concord, who have been serving as directors of the Contra Costa Soil Conservation District, were the only ones who filed nominating petitions for district directorships, the supervisors on Monday declared there would be no election for the posts and stated that next Monday the county board would reappoint the three for four-year terms.

The Soil Conservation District territory includes part of Lafayette and Orinda, St. Mary's and portions of the Danville-Concord-Brentwood areas.

MARTINEZ-BENICIA BRIDGE

The Board of Supervisors on Monday appropriated $3,000 to assist in a survey to determine the need for a bridge across Carquinez Straits linking Martinez and Benicia.

The Contra Costa County appropriation was made with the understanding the Solano County supervisors would appropriate $2,000 for the survey which would be made by the State Highway Division.

In the Legislature last week State Senators George Miller, Jr., of Contra Costa County and Luther Gibson of Vallejo proposed construction of a toll bridge between Martinez and Benicia.

DEVELOPMENT GROUP TO PROTEST

The Contra Costa Development Association intends to convey to State Senator Randolph Collier of Yreka this county's objections to having only Highway 40 included in a projected state highway bond issue program.

The association was informed by Attorney Joseph L. Judson of Pittsburg, county liaison officer to the Highway Commission and chairman of the association's highway committee, that the present highway bond program outlined by Collier contemplates inclusion of but one highway in Contra Costa—Highway 40 from Richmond to Carquinez Bridge.

J.C. BOARD HONORED

The Contra Costa Junior College Board of Trustees has been selected as one of the 150 outstanding school boards in the United States as the result of a nationwide survey conducted by Columbia University, Superintendent Drummond J. McCunn announced.

The junior college board has been asked to participate in a national study to improve school board practices, McCunn said.

PLEASANT HILL DISTRICT

The County Board of Supervisors, after officially canvassing the returns of the January 19 special election in the area, declared the Pleasant Hill Park and Recreation District formed and the following three directors to have been elected:

O. N. Kirkham, Ray S. Miller and Mrs. Pearl M. Ritchie.

Vote on formation of the new district was: For, 241; against, 147.

WEST CAMPUS SITE

Negotiations for acquisition of El Portal Park, a government owned tract of from 60 to 70 acres on the outskirts of San Pablo, have been instituted with federal agencies by Congressman George P. Miller, Jr.

Adult Classes Open at Acalanes

Matricide dramas are the current unit of study in the Acalanes Adult School's Great Books class, directed by Webster Wilson, one of 11 courses still open for late registration, according to David Stewart, adult school director.

The unit of classical works on matricide, the "House of Athens" by Aeschylus, Shakespeare's "Hamlet," and Eugene O'Neill's "Mourning Becomes Electra," are a portion of the study of classical literature which will include the development of the Drama from the early Greeks to more contemporary works.

OTHER COURSES

Other courses still open include creative writing taught by Mrs. Edith Shafer on Mondays, 7:30 to 9:30; and landscape gardening, taught by Floyd Cowan, noted bay area landscape architect, which will include discussion of plants suitable for this locality and other phases of landscape gardening.

STUDIES LISTED

The following courses are also open:

1. Art Metal, Monday, 7-10, Elmo Heard.
2. First Aid, Tuesday, 7:30-9:30, Miss Nicholson.
3. Millinery, Thursday, 7-10, Mrs. Fyfe.
4. Public Speaking, Wednesday, 8-10, Miss Rinehart.
5. Shorthand, Tuesday-Thursday, 7:30-9:30, Mrs. Van Ogtrop.
6. Social Dancing I, Thursday, 8:30-10, Mrs. Chiocca.
7. World Affairs, Wednesday, 7:30-9:30, Mr. Lipton.

Seniors Complete Requirements

Eleven Acalanes seniors will complete graduation requirements by the close of the current fall semester today.

They are Frankie Sims, Madeline Silva, Marion Burchfield, Charleen MacQuiddy, Marie MacMurphy, Jack Merkle, Lee Von Rowland, Nira York, Darlene Wadman, Bob Larsen and Joan Wolf.

Most of those leaving Acalanes plan to continue their education. Several will attend the junior college. The Acalanes senior class, with more than two hundred students, graduates at the end of the school year in June.

Frosh Plan Party, Seek Parent Help

A "Hard Times" party for the Acalanes freshman class is being planned by frosh class officers for next Friday, according to Tom Klement class president.

Klement asked for parent cooperation in helping freshman committees work out transportation problems and plans for food contributions for the party.

Parents who can assist the freshmen have been asked to let student committee members know through their own youngsters. If they wish, they may contact Webster Wilson, freshman faculty advisor.

The party will be the second big activity for the Acalanes ninth grade class which has already held a successful "Frosh Day" dance and picnic.

Our Boys

Appeal Asks TV For Hospital at Camp Stoneman

Will the convalescent servicemen at Camp Stoneman hospital have a television set soon for their entertainment?

The question remained unanswered this week, but the ball has started rolling.

Letters from the Red Cross unit of Gray Ladies at the hospital to the heads of Orinda and Lafayette organizations stress the need for such a set and ask for financial contributions.

Mrs. Theodore F. Bradley of 50 La Cuesta, Orinda, reported that a local dealer has offered to supply a television set at his cost price. "Those who are enjoying home television can well appreciate the pleasure and relaxation which a gift of this type will bring to injured veterans of the Korean war and other patients at Camp Stoneman," she said.

It was Mrs. Bradley who, in cooperation with the Gray Ladies at the hospital, recently made inquiries regarding the possibility of such a gift.

Lafayette Lions Club, of which S. De Angelis is president, is reported to have voted $40 for the set. Other organizations to which appeals have been sent are:

Orinda Lions, Orinda Chamber of Commerce, Orinda Rotary, Lafayette Rotary, Lafayette Chamber of Commerce, Lafayette Improvement Association, Lafayette Forum and American Legion Post 517.

Plan Merit Badge Show, Cub Exhibition

Highlighting special Scouting activities during National Boy Scout Week celebration next week will be the staging of a gigantic Merit Badge Show and Cub Exhibition on the evening of February 10, 7:30 p.m. in Acalanes High School gymnasium.

This affair is in commemoration of the 41st anniversary of Scouting in America during which over 17,000,000 American boys have participated. Present active membership is 2,750,000.

SCOUTING IN ACTION

The theme, "Scouting in Action;" the show will feature activities and demonstrations with real specimens and equipment.

Cub Packs will participate in exhibiting and demonstrating cub crafts and Cub Scout requirements.

Scout Troops and Explorer Units will have booths presenting merit badge subjects which will include photography, camping, hiking, conservation, carpentry, insect life, marksmanship, fingerprinting cycling, landscape gardening, home repairs, pioneering and other topics. Twenty-six Scouting units will participate.

Groups will compete for proficiency awards. Judging will be by special committee headed by Forrest Rhodes of Lafayette, chairman for advancement in the Diablo area.

IN CHARGE OF SHOW

C. R. Graff, activities chairman for the district, is in general charge of the show which, from all indications, promises to be better than last year's which over 5,000 persons attended.

Among the Cub packs participating in the show will be Orinda Pack 32 which is sponsored by the Orinda Parents Committee. Rudy Rasmussen serves as cubmaster of this group.

ORINDA GROUP

Cub Pack 52, also sponsored by the same Orinda Parents Committee, Otto W. Schrader, cubmaster, will present a booth on cubbing skills and requirements.

Canyon Cub Pack 57, sponsored by the Canyon Civic Club, John P. Shally, cubmaster, will also exhibit.

Orinda Rotary Club Troop 200, Dan Sheldon, scoutmaster, will exhibit a booth on the hiking merit badge.

The Orinda Lions Club Troop 207, S. Stanley Hunn, scoutmaster, will also participate in the show.

Canyon Troop 212, sponsored by the Canyon Civic Club, Paul E. Foster, scoutmaster, will present an exhibit and demonstration of the landscape gardening merit badge.

LAFAYETTE CUB PACKS

Lafayette Cub Pack 38, sponsored by the Lafayette Dads Club, Loren Dodds, cubmaster; Cub Pack 78, also sponsored by the Lafayette Dads Club, Jack E. Hewitt, cubmaster, will exhibit booths in cubbing skills, crafts and requirements.

Lafayette Scout Troop 204, sponsored by the Lafayette Dads Club, Seth Blakeman, scoutmaster, will present an exhibit on the conservation merit badge.

Troop 210, which is sponsored by the Lafayette Brotherhood of Our Savior's Lutheran Church, Edmond Aszklar, scoutmaster, will present the pioneering merit badge.

Rotary to Mark 46th Birthday

Rotary International will observe its 46th birthday anniversary this month with an impressive record of 7,191 Rotary Clubs with an approximate membership of 344,000.

Records of the service club organization reveal that 14 per cent of the members of the House of Representatives in Congress are Rotarians, as are 33 per cent of the Senate members.

Rotary was started in Chicago and numbers Thomas Edison among its many distinguished one-time members.

Contractors Attend National Convention

Contra Costa County was represented at the National Association of Home Builders Annual Convention and Exposition held in Chicago last week.

Among the 15,000 members of the NAHB attending the lectures, meetings, discussion groups and other functions are the following from this area: Donald J. Lawrie and wife of Lafayette and Dan C. Peacock, Jr. of Orinda.

National brands at regular prices — here at home.

Teachers Request $600 Salary Raise

Six representatives of the Contra Costa County Federation of Teachers requested a $600 cost of living salary increase, over and above the $200 automatic increment, for the school year 1951-52 at a meeting of the Contra Costa Junior College Board of Trustees last week in Martinez.

Several Board members questioned the justification of such an increase, and delayed any action in order to gather more information so that a fair adjustment can be made.

Lafayette Boys, Girls Win Over Orinda Quintets

The Lafayette eighth grade basketball team defeated the Orinda boys 49-28.

Lafayette boys participating in the game were Paul Miller, Charles Knobel, Gerry Beck, Richard Jones, Timothy Freeman, Bob Neilsen, Bill Garrett and Gary Gudnason.

The Lafayette eighth grade girls trounced the Orindans 65-21 and 25-17. High point "man" for both games was Nancy McCrum with 35 points.

Other girls who played were Mary Matlock, Sara Tolles, Sonalee Fey, Marcia Miller, Margot Swenson, Elly Gardner, Beth Maas, Elizabeth Young, Pat Myers, Dona Laney, Joyce Schafer, Carol Creager, Kathie Greub and Charlotte Spencer.

Country Club Scene of Alpha Phi Dinner Dance

The formal dinner dance given at Orinda Country Club recently by Alpha Phi members was a welcome touch of gaiety after the preceding days of study in preparation for the final examinations.

Alpha Phi's philanthropic project, cardiac aid, has received much attention from the girls during the recent holidays, in addition to their college work.

Members of the U.C. chapter have been making scrapbooks that will provide happy hours for small rheumatic fever patients. Other projects included collecting of baskets of food, clothing and toys to be distributed to families who have a child convalescing from a heart disease. Gifts such as these are sent at Christmas, New Year's, Easter and Thanksgiving.

Rita Nie Is Now Mrs. Bob Haaker

Important on the calendar of winter weddings was that of Rita Florence Nie to Robert George Haaker recently solemnized at Piedmont Community Church, Dr. Holland F. Burr officiating.

Deep ivory satin, seed pearl trimmed, was used for both the gown and headpiece holding the fingertip length veil the bride chose. She carried white camellias, orchids and bouvardia in a cascade bouquet.

Mrs. Alfred Giuffre, matron of honor, was in bisque colored satin and Beverly Knudson and Margaret Bendorf, the bridesmaids, wore ice blue satin, their bouquets of talisman roses.

Bob McMahon was best man for the groom, Les Dumble and Dave Gerber ushering guests to their places.

The reception after the ceremony was held at Orinda Country Club.

Mrs. Charles Nie of Hacienda Circle, mother of the bride, chose a mauve crepe gown and matching hat of velvet, contrasted with her corsage of green slipper orchids.

Both the bride and groom are graduates of the College of the Pacific. Mr. Haaker is the son of William Haaker of Chicago. They will make their future home in Seattle.

Mrs. Lucas, Jr. Guest of Honor At Baby Shower

Mrs. James Lucas, Sr., honored her daughter-in-law, Mrs. James Lucas, Jr., with a baby shower last Friday. The cake served was specially decorated for the occasion by Mrs. Lucas' father, George Neldam of the Neldam Bakery.

Games appropriate to the occasion were played after the many beautiful presents were opened. The guests were Mesdames George Neldam, Dan Lucas, Frank Pereria, Sr., Frank Pereria, Jr., Alex Lucas, Anthony Vanco, Manuel Lucas Edwin Pereria, J. Lucas, Frank Davilla, J. Sindicich, Al Eberlin, J. Navone, M. Mello, Sr., Harry Biederman, M. Mello, Jr., George Hartzall Sr., and the Misses Doloras Sindicich and Mary Ann Lucas.

Baby Shower for Mrs. E. J. Fowler

Mrs. Dan Carter was hostess for a baby shower given in honor of Mrs. E. J. Fowler last Friday. Pink and blue lambs frolicked on the luncheon table. The luncheon was followed by bridge.

The guests were Mesdames Eugene Monroe, Bernard Ginsburg, Howard Lane, Earl Hughett, Kenneth Hauter and Joseph de Mario.

Mrs. Weir, Children On Island of Kauai

Mrs. Robert R. Weir and her two children, Randy and Judy, are now staying with her parents on the island of Kauai in Hawaii, while Lt. Cmdr. Weir is at sea. The Weirs lived on Moraga Highway until a few months ago.

Mordys Enjoy Mexico Trip

Mrs. William H. Mordy accompanied her husband on a week's business trip to Mexico City, returning last week.

They drove from Orinda with Mrs. Ernest Lee to Los Angeles, stopping at Pismo Beach.

From Los Angeles the Mordys flew by Pan American plane to Mexico, a smooth flight of only five hours in a pressurized cabin at an elevation of 18,000 feet.

In Mexico City they found delightful balmy weather, gardens blooming luxuriantly, and at some of the resorts women clad in sunsuits as in California summer time.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

Tell Engagement Of Karyl Hansen And Bill Ross Jr.

An early summer wedding is the present plan of Karyl E. Hansen of Oakland and William Ross Jr. of Orinda. Their engagement was recently announced at a buffet supper party.

Mr. and Mrs. George T. Hansen revealed the news at their Lakeshore Avenue home in Oakland, where guests had gathered for the evening party.

The bride-elect is a graduate of Oakland High School and from the University of California in 1949. She was a Chi Omega.

William, son of Mr. and Mrs. William Ross of Orchard Road, graduated from Technical High School and studied business administration at Cal where he was a Sigma Phi.

Those to whom the news was revealed were Messrs. and Mesdames Albert Rubey, Jack Heinz, William Waste, William Murray Jr., Leslie Foppiano Jr., Robert Haaf, Dr. and Mrs. David Green, and Sally Drewry, Ruth Grandy, Hugh Singrey and Carl Hagelburg.

Plan Next Meeting In Oakland Home

The next meeting of the 12-15 Club will be at the home of Mrs. J. D .Chappell, 4887 Merritt Avenue, Oakland, who is now president of the group.

At the January 23 meeting held at the home of Mrs. Richard Hafner, it was decided to confine most of the club's philanthropic activities to Weimar Sanitarium, the Diablo Therapy Center and Juvenile Hall in Martinez.

Heinricis Enjoy Extended Trip

One Orinda couple who dodged some of Orinda's recent weather (how lucky can you get?) are the Garland Heinricis, who have just returned from an extended trip through the east, south and below the border.

Mrs. Heinrici, who is secretary of the Pandora Chapter of the Children's Home Society of California, tells some tall tales, which included staying at the same hotel which housed the Oklahoma football team.

The Heinricis enjoyed the game in the Sugar Bowl in New Orleans, and were provided a brand new car to see the sights in that fascinating southern city.

They then flew to Havana and Varadero, Cuba, and enjoyed beautiful and unforgettable scenery, and on the way home stopped off in Miami, Florida, to attend the National Automobile Dealers' Convention. From there they motored to Washington, D.C., and New York before returning home to Orinda.

Garden Club Hears Decoration Talk

"Decorative Art and Plants in the Home" was the topic chosen by Mrs. Irene Schnabel, owner of an Oakland art and flower shop, for presentation before Orinda Garden Club members at the meeting yesterday at Orinda Country Club.

Mrs. Schnabel's talk featured the use of plants in interior decorating. Mrs. William Wilson was program chairman and the business meeting was presided over by Mrs. William Everts, president.

Welfare Group Meets in March

The Welfare Committee, with Mrs. Russell Gilwee chairman, will meet the first part of March to consider proposals on which Orinda Mothers Club funds raised during the year will be spent.

The committee is composed of the chairmen of the various fund raising committees: Mesdames Mel Arighi, N. F. Coates, Joseph Downs, and Stuart Henderson; also R. A. Stark as treasurer, Don Krotz as board advisor and Joseph Sheaff, school superintendent.

All suggestions for projects which would benefit both schools should be presented to Mrs. Gilwee before the end of February.

Harry Aglers in New Moraga Del Rey Home

The Harry Aglers have moved into their new home on Dale Court in Moraga Del Rey. Their former home was in Berkeley, where both graduated from the University of California.

Mrs. A. C. Flenner Plays Violin Solo for Alumni

Mrs. A. C. Flenner of 52 Acacia Lane recently played a group of violin solos for the San Francisco Alumni Chapter of Mu Phi Epsilon, national music sorority, the occasion being a dessert luncheon and musical at the home of Mrs. E. C. Miller, Berkeley.

WOMEN

BRIDE-TO-BE Marjorie M. Gordon (above), daughter of Mr. and Mrs. Arthur D. Gordon of Moraga Highway, will be married February 17 to Floyd B. Rupp, Jr., Air Corps lieutenant in World War II and son of the Floyd B. Rupps of Oakland.

Birthdays Mean ... Eating, of Course!

Whether it's luncheon or an after-show snack, kids like to eat. And a birthday celebration makes eating just that much more fun.

Any doubt on the latter point is dispelled by the following scattered reports of Orinda youngsters' birthday celebrations:

JULIE EDELIN

Julie Edelin entertained at a luncheon followed by the movie at Teatro para Ninos on Saturday, January 27. The occasion was her eighth birthday.

Her guests were Sue Tharp, Noel Jones, Michaele Harrer, Valerie Silva, Barbara Davis, Susan Snow, Diane Traverso, Gerry Olsen, Judy Hopkins, Lonnie Anderson, Patty Boehm, Suzanne Linsay, Judy Agino, Margie Williams, Carol Lastrucci, Margaret Nickel, Diane Edelin, Catherine Hauter and Susan Donovan.

KIM SMITH

Kim Smith celebrated his seventh birthday with a cowboy lunch followed by the show at Teatro para Ninos, on Saturday, January 27.

Those joining in the fun were Linda Bargones, Douglas Inman, Steve Hearst, Charlie Ward, Donald Grenborg, Cynthia White, Kit von Gunther, Holly Borden, Joan Borden, Roger Smith, Lauren Smith and Dick Miles.

ALLISON HANFORD

Allison Hanford celebrated her sixth birthday with a Valentine theme, games and refreshments. The party was held after school on Tuesday, January 30.

Her guests were Barry Hutchison, Sandy Poulson, Cory Lauder, Betsy Ann Kilbourne, Jane Seaman, Carolyn Jane Schuyer, Milo Spaich, Jim Twony, Robert Hanford, Pam Hanford and Barbara Berry.

SYLVIA BOLMAN

Sylvia Bolman was nine years old on Saturday, January 27, and celebrated by taking 29 of her girl friends to Teatro para Ninos. Afterward the party went to the Orinda Country Club for ice cream and cake.

Party–No Jinx! 13 at Kathleen's

Thirteen was a lucky number for Kathleen Mika, daughter of Mr. and Mrs. T. F. Mika of 10 Meadow Park Court, for that was the number of girl friends who came with their dolls to her party January 20 in celebration of her being six years old.

Guests were Kathleen Beconcini, Susan Bonds, Leslie Ann Deming, Tara Lynn Doty, Hester Harris, Lind Korreman, Linda aJne Lindsay, Carol McMillan, Janette Miller, Windy Minor, Susan aNttress, Susan Nicolsaysen and Susan Richarz.

STORK CLUB

Mr. and Mrs. W. W. Swedburg of 211 Canon Drive announce the arrival of a baby girl, weighing in at 8 pounds, 11 ounces, on January 20.

The new arrival is named Sally Ann and was a wonderful surprise to twins Gary and Sharon, age 7 years, and Randy Allen, age 2½ years.

Skating Birthday Party

Karen Collings celebrated her 11th birthday Saturday afternoon, the 27th, with a skating party at the Berkeley ice rink after delicious refreshments of ice cream, cake, punch and candy at her home.

The children enjoying the jolly affair, most of whom have been Karen's classmates at the Orinda School since all were in the second grade were Patsy Stevens, Patty Courtright, Carol Ketsdever, Virginia Stalle, Norma Woddell, Natilee Pray, Lynne Wiggins, Jane Summers, Nancy Mott, Susan Wasson, Nancy Long, Langley Brooks, Kathy Young, Virginia Ketsdever and Marian Jean Shur.

College of Pacific Anniversary Dinner

The centennial of the College of the Pacific, first to be chartered in the State of California, will be observed in Contra Costa County February 5 at a banquet meeting, 6:45 p.m. at Acalanes High School. It is being arranged by a countywide committee of 26.

Principal speakers at the dinner meeting will be Pacific president Robert E. Burns, and Pacific chancellor, Tully C. Knoles. Burns, a product of Contra Costa county schools who graduated from Richmond High School, is the first alumnus of Pacific to rise to its presidency.

Knoles, long noted western educator, is one of the most sought-for speakers in California. He is credited with the leadership which lead to the spectacular relocation of the College of the Pacific in Stockton in 1924, after its 75 year history at Santa Clara and San Jose.

include special music and the projection of color views of the beautiful Stockton campus of the college, including shots of the new 36,000 seat Memorial Stadium dedicated in October.

Although many notices of the gathering are being mailed throughout the county, the committee emphasizes that it is open to all without special invitation — alumni, parents of students or prospective students, friends and the general public.

Banquet places may be reserved by addressing Mrs. Charles B. Jones, secretary of the committee, Route 2, Box 902, Walnut Creek.

Addison Thompson Weds Yvonne Zanolli

The 26th wedding anniversary of the bride-elect's parents was chosen for the recent marriage date of Yvonne Zanolli to Addison H. Thompson, Jr., son of Mr. and Mrs. A. H. Thompson of Glorietta Boulevard.

Preceded by nine feminine attendants gowned in white faille accented by bouquets of red roses, the bride was escorted up the aisle of Corpus Christi Church, Piedmont, by her father, Henry Zanolli of Oakland.

A white faille redingote over a gown of Chantilly lace was chosen by the bride for her wedding ensemble. A finger tip length tulle veil and white orchids and bouvardia combined in her bouquet completed the effect.

Neila Zanolli was maid of honor for her sister, and bridesmaids were Nancy Zanolli, a cousin; Jean Parry, Ellen Hester, Dorothy Rokusek, Mildred Gillam, Mrs. C. W. Riley Jr. (Joan Gillette), Mrs. Frank Hora (Nancy Cleu) and Mrs. S. M. Hazlett III.

Addison's brother, Bill Thompson, was best man, and ushering duties were performed by Messrs. Ray Devine, Ed Blamire, Jim Tanner, Bill Stauffer, Bob Asche, Earl Grubb, Bob Jones and Tom Ruebel. Master Dwayne Dark was ring bearer.

Champagne lace over taffeta was worn for the occasion by the bride's mother, while Mrs. Thompson was gowned in gray chiffon combined with lace.

Following the reception at the Thompson Srs. home and departure of the bride and groom for their honeymoon, the Zanollis were guests at a surprise anniversary supper party at the Orinda Crossroads, with the groom's parents as hosts.

The bride, whose parents are residents of Trestle Glen Road in Oakland, is an Oakland High School graduate. Her bridegroom received his degree from U.C. where he was affiliated with Theta Delta Chi Fraternity.

Tal Runnels Jr. Takes a Bride

Chantilly lace and satin fashioned in a bridal gown with fitted bodice and long pointed sleeves was donned by Mary Lou Troiel of Berkeley for her recent wedding to Tal Runnels Jr. in Piedmont Community Church.

Lace embroidered with seed pearls and beads edged the sheer yoke of her gown and her crown of lace held a three-tiered veil of French illusion. Bouvardia and small white lilies fashioned her wedding ring bouquet while carnations and bouvardia were used for her bridesmaids' similarly styled bouquets.

Jean Buek of Soda Springs wore gold in her maid of honor role, and the bridesmaids were in forest green and burnt orange. The dresses were of velvet and heavy satin, the velvet used for the fitted bodices and the other fabric for full skirts and the bolero jackets. Chalys Martin, Sylvia Mann, Sylvia Replogle and Corinne McKenna were bridesmaids and Jan Van Wert was flower girl.

James C. Norris was best man and Messrs. Jack Meyer, Arthur E. Troiel Jr., Donald C. Norris and Robert Oas were ushers.

The bridegroom is the son of Tal Runnels of Orinda and Mrs. F. F. Richardson of Fresno. The bride is daughter of Mr. and Mrs. A. E. Troiel of Berkeley.

St. Stephen's Auxiliary Tea Success

The first general meeting and tea held by the Women's Auxiliary of St. Stephen's Episcopal Church in Orinda was attended by 50 members and guests.

Mrs. William S. Sparling, president, related the wonderfully inspiring story of the Church's humble beginning and the fellowship engendered by everyone working together for the common cause.

WOMEN'S WORK

Mrs. Evans Hammond, Diocesan President, gave a short talk on women's work in the Church and offered their full cooperation. There was also a heart-warming talk by Miss Edna Beardsley, United Thank Offering National Chairman, on the Women's Auxiliary, especially stressing the importance of building the kind of community in which young people develop into useful citizens and future leaders.

Mrs. F. King Verleger, vice-presidents at large, spoke of the fellowship a new mission develops and of how impressed she was with the type of leadership evidenced in St. Stephens. Future Auxiliary meetings were planned, one for Lent at which a good review on a book of religious nature was proposed; and a Spring meeting in the evening to include the men.

The Board Officers were then introduced, followed by tea served with delectable open-faced sandwiches and cakes. The hostess, Mrs. T. E. Haley was assisted by Mesdames H. S. Doane, Roy W. Johnson, Bill Maddox and John R. Deane.

COFFEE HOUR

Coffee hour after services last Sunday enabled old friends and new members of Orinda's St. Stephens to get acquainted and to welcome Rev. J. Henry Thomas, visiting pastor from St. Clements in Berkeley.

Confirmation classes will be conducted at the Scout Hut by Dr. Frederick A. Schilling, starting at 4 o'clock Sunday. Any adult interested in a "refresher course" is urged to attend.

The youth organization met last Sunday evening for supper at the home of Dorothy Floyd in Sleepy Hollow, following an afternoon of fun, ice-skating at Berkeley Rink. Fifteen young people attended.

Bohn Goes to Guam

John Bohn, Orinda attorney, left last Friday for Guam to serve as legal adviser for the new Guamanian legislature. He traveled via Pan American World Airways.

Japan Ex-Emperor Can Be Seen at Perry's

By
FRANCES NEUENSCHWANDER

Inspection of atom bomb damage to Hiroshima; attendance at the Emperor's debut into public social life; a holiday in Hong Kong — these are but a few of the adventures experienced by the Hal Perrys, new Orinda residents, during their recent stay in Japan.

As a civilian member of the American Military Intelligence staff stationed there, Perry and his wife, Frances, spent three years in Osaka, one of the five largest cities in Japan.

A major industrial area during pre-war years, Osaka was formerly constantly blanketed by a dense smoke screen; when wartime bombing destroyed 70 percent of the town buildings, industrial activity ceased and many of the town's old-time residents were treated to their first view of the surrounding hills.

Trained as a linguist, Perry was able to surmount the language barrier which so often hampers American-foreign relations; in casual conversation with the "common man" he found the Japanese apparently genuinely fond of his conqueror, a paradox strikingly illustrated during a visit to Hiroshima.

WHERE BOMB STRUCK

While standing some 200 feet from the spot where the atom bomb struck, the Perrys were approached by a Japanese who solicitously showed them a dangerous rut in the road, warning them to be careful, as he did not wish to see them hurt.

Amazement was mutual when Perry thanked the man in his native tongue, since the majority of Americans stationed in Japan have not mastered the complexities of the language.

PEOPLE SEEM CONTENT

To all outward appearances, the people seem content with the new regime — especially the children; it is a rare sight, Perry says, to see a Japanese child in tears or distress of any sort.

From infancy, when they spend their days strapped to their mother's back, through adolescence, the children display a placid temperament rarely found in their American counterpart; in his years of residence among them, Perry cannot recall ever hearing a Japanese child cry!

AWE FOR AUTOISTS

American autoists are regarded with special awe by the Japanese. It is only the extremely wealthy native who can afford a car, usually an Austin — and even he presents a ludicrous picture as he travels in the small vehicle, always driven by a chauffeur who appears to be seated on his employer's lap.

Reminiscent of the day when the population was forbidden to pass the Emperor, today's Japanese driver will not overtake an American; when General MacArthur travels through the city, the flow of traffic is halted at intersections until he has passed.

EX-EMPEROR ARRIVES

It was at a marionette show, a popular entertainment in Japan, that the former Emperor made his first appearance in the role of "plain citizen," and the Perrys were on hand to record the event with their movie camera.

This film is but one of the many souvenirs brought home by the travelers, since just prior to their return to the United States Mrs. Perry enjoyed a "shopping spree" in the form af a plane trip to Hong Kong, where a variety of oriental objects of art were available.

FLY TO AMERICA

Flying to America via the Alaskan-Aleutian route, the Orinda couple arrived at Sitka in midnight sunshine; the 26-hour flight ended in Seattle, where they visited friends before returning to the Bay Area.

A University of California graduate, Perry is at present devoting his time to inventing and the business of getting settled in a newly-purchased home on Claremont Drive.

Rotary-Sponsored Troop 200 Has Busy Program of Many Activities

Orinda Boy Scout Troop 200 is fortunate in having as it sponsor the Orinda Rotary Club. This club helped the boys sell tickets for the recent combined scout show whcih resulted in $300 for improvement of Orinda Scout Hut, including installation of a heating system.

Rotary President Frank Olsen donated 50 flush ceiling lights for the hut, which is used as a meeting place by Troops 200 and 207 and Explorer Post 300.

To show their gratitude, Troop 200 recently entertained the Rotary Club with a magician show and is planning to entertain them again on next Wednesday with a program of hill-billy and barbershop numbers by its own well-known quartet.

Dan M. Sheldon is continuing as scoutmaster. Since taking over this responsibility last September, he has built up an active, well-organized troop. He has strong backing of the committee of fathers and fine help from Harry Noller, assistant scoutmaster.

Hugh Haskell resigned as chairman of the parents' committee. During the year of his chairmanship he helped the group grow from a group of eight boys to a progressive group of 30 Scouts. It was during that year that the troop secured the Orinda Rotary Club as sponsor.

Under Haskell the boys made their first weekend trip to the high Sierra for skiing, and also several summer camping trips. The troop feels it can never thank him enough for his scout work.

The troop committee for 1951 is under Donald P. Krotz, chairman. Vice-chairman is Walter Nicklas. Louis B. Ambler is secretary; Charles B. Coburn, treasurer; Jack Hart, advancement chairman; Alfred Johnson, transportation chairman; Kenwood S. Hauter, activities chairman; J. Allara, assistant activities chairman, and Haywood C. Gathings, publicity chairman.

Recently the troop held its fathers' and sons' supper at the Scout Hut. The food was supplied by the scout mothers.

In the Court of Honor held that same evening Mike Small received his Second Class badge and Dennis Allara his Tenderfoot badge.

Troop members are now busy making their "Trapper Nelson" pack frames.

The two mothers serving the fathers'-sons' supper were Mrs. Alfred Johnson and Mrs. Louise Ambler.

Troop 200 will take another weekend trip to the snow in the near future.

Water Won't Be Soft as Usual

For approximately the next six weeks the water served to consumers in the East Bay Municipal Utility District will not be as soft as usual, it was announced today by John W. McFarland, Utility District General Manager.

Most water for the East Bay normally is received from the district's principal source at Pardee reservoir. This water is one of the softest being served on the West Coast. For the present, however, the two large 94-mile long aqueducts from Pardee Reservoir are closed down so that needed repairs and modernization of tunnels at various points along the transmission lines can be completed.

Keesling Retires From PG&E Post

Homer G. Keesling, 384 Camino Sobrante, was guest of honor at a dinner Saturday at Scottish Rite Auditorium, San Francisco, marking his retirement as central area superintendent of operations of Pacific Gas and Electric Company.

D. D. Smalley, vice president in charge of operations, was toastmaster, and N. R. Sutherland, vice president and general manager, was the principal speaker. Company officials and associates of Keesling from many parts of the P. G. and E. system attended.

Born in San Jose and educated in the schools there, Keesling took his electrical engineering studies at Stanford University and entered the employ of P. G. and E. in 1911 in the East Bay electrical department in Oakland. He became superintendent of substations and underground distribution in the East Bay Division in 1925 and advanced to assistant superintendent of the division electric department in 1930. In 1944 he was appointed superintendent. He became superintendent of the company's central area, extending from San Francisco to Stockton and Salinas, in 1947.

Keesling is a member of the American Institute of Electrical Engineers, Oakland Electric Club, San Francisco Engineers Club, Pacific Coast Electric Association, Pacific Coast Gas Association, and Charity Lodge No. 362, F. and A.M.

New Residences, OK'd for Orinda

Builder of the three pools is listed as Paddock Engineering Company, San Mateo.

An o.k. for addition to a residence at Lot 12, 266 Glorietta Boulevard, was granted owner J. Sullivan. R. Shoemaker, Berkeley, is builder of the $1104 project.

Camera Club Has Contest

The Contra Costa Camera Club had another print and color slide competition January 23 at the Orinda Community Center. The judge of the prints and slides submitted was Leslie Mecum of the Alameda Photographers Society.

In the beginners group first place went to John Muir, second to Jerry Winfrey, third and fourth to John Muir, and fifth to Jerry Winfrey.

In the advanced class, first place was won by Jack Davis, second by Geri Fry, third by Guy Spencer, fourth by Alvino Lindsey, and fifth by Guy Spencer.

In the salon division first and second places went to Challis Gore and third to Ben Randall.

In the color slide competition first place was won by Ben Randall, second by Bud Dippo, third by Ben Randall, and honorable mention to Bud Dippo.

Mrs. Goldstine In Court Again

Mrs. Virginia R. Goldstine, who obtained an interlocutory decree of divorce from Irvin W. Goldstine, prominent Orinda and San Francisco architect, last June 29, was back before Judge Harold Jacoby this week with more problems.

She was cited: to show cause why she should not be held in contempt for assertedly blocking the sale of the home at 79 Loma Vista, Orinda, and to show cause why the children Bruce, 9, and Donna Jean and Craig, 6-year-old twins, should not be given into the permanent custody of their father.

Tanagers Plan Clothing Sale

The Tanagers, evening group of the Orinda Branch Mt. Diablo Child Therapy Center held its January meeting at the home of Mrs. Robert Moorehead, 36 Via Floreado, Mrs. Donald M. Anderson presiding.

Plans are in the making under the able leadership of Mrs. Frank Brush to hold a Children Outgrown Clothes Sale.

Newspapers and magazines are pouring in to the Firehouse, drive is still continuing.

Mrs. George Klement outlined the May Luncheon arrangements and named her committee heads.

Refreshments were served by Mrs. Moorehead and her co-hostesses Mrs. Robert Pedder, Mrs. Russell Gilwee, and Mrs. Robert Bigler.

'If It Were You' Is Sermon Talk

At the Orinda Community Church Sunday morning Rev. Fred Morrow's sermon will be entitled "If It were You." The full choir under the leadership of Margaret Popovich will sing "O Worship the Lord" by Hollins.

The other services that day are Sunday School from 9:30 to 10:30, and Pilgrim Fellowship at 7 p.m.

Sleepy Hollow Asks Road Survey

Request of the Sleepy Hollow Improvement Association for a county survey of a number of roads in the area was referred by the Board of Supervisors on Monday to County Surveyor Joseph Barkley and Supervisor Jack Cummings.

In a letter to the board, Dr. James R. Seaman, association president, stated that the membership "feels that since Sleepy Hollow is one of the highest tax rate districts of Contra Costa County, this area should be given some attention with regard to improvement of roads."

"The number of residents has increased at a rapid rate," he continued, "and the assesesd valuation is now at a point where we believe the county should assume responsibility for the roads in Sleepy Hollow."

Survey of the following roads was requested by the association:

Sleepy Hollow Lane (entire loop), Washington Lane, Normandy Lane (to and including Lot 274), Irving Lane and Van Ripper Lane (between Irving and Lombardy Lanes).

Combined Scout Campaign Nets $16,000

The drive held recently for 1951 operating expenses for the local Boy Scout District and the Girl Scout Council netted just under $16,000 in contributions and pledges, according to Peter Howard who served as general chairman for the combined campaign.

"The total result was better than it has been in the past years, but there is still a great need for additional funds to be raised if the two councils are to meet their challenge to youth in 1951," Howard said.

RECEIPTS DIVIDED

The two youth organizations will each receive approximately $8,000 from the funds. The community of Orinda supported the drive to the extent of $5,320.00.

The Boy Scout and Girl Scout membership within the Diablo area combines to total over 3500 as against 2600 last year which indicates the growth of the area and the great need for council financial support.

EXPRESS APPRECIATION

The two youth movements represented in the drive thank each volunteer worker who took time out of a busy life to give over 3500 youths a helping hand. District-wide, over 800 volunteer workers participated.

Deepest appreciation goes also to each person, family, civic group, and business that gave to this worthy cause; thereby helping to strengthen liberty through the youth of America.

The Boy Scout Diablo District and the Girl Scout Diablo Council operate within identical boundaries which include Alamo, Danville, Walnut Creek, Lafayette, Diablo, Orinda, Pleasant Hill, and Ygnacio Valley. Funds from the Pleasant Hill-Ygnacio Valley Area, which is covered by the Concord Community Chest, are yet forthcoming.

Concerts Group Names Officers

Lyman Stoddard, Jr., was named president of the Acalanes Community Concerts Association at a meeting conducted last week by the executive committee.

Oscar Busch was chosen to continue as first vice-president, Wallace Shaw was named second vice-president, and Miss Hester Hoffman will serve the association as secretary. Larry Davitt will continue as treasurer.

Need for additional volunteer workers to serve during the campaign drive was again stressed, and anyone interested in assisting in this capacity in order to insure top-ranking musical talent for local concerts is asked to communicate with Miss Hoffman at Walnut Creek 6331.

Memberships are open to everyone and are obtained upon payment of $3 for students and $6 for adults. These memberships can be procured only during the campaign drive, and single admissions are not sold. At the close of the drive, the artists are selected for the coming year, such selection based on the amount of money available for bookings.

The membership campaign has been set for the week of February 26 to March 3. A corps of workers is being organized, under the chairmanship of Oscar Busch, to explain the existence of the association and to solicit memberships.

OLD TIMERS DINNER

Seventeen new "Old - Timers" were among those honored at the Sixth Annual "Old-Timers" Dinner of the East Bay Municipal Utility District, held last Monday, at the Scottish Rite Temple.

Sermon to Deal With Church Role

"Is it necessary for a person to be an active church member in order to be a Christian? What is Christ's attitude toward the church? According to Ephesians 5:25-27, the Christian church is Christ's beloved bride. If this is Christ's feeling toward His Church, surely the Christian will wish to be an active church member."

These and other questions concerning the believer and his relationship to the church will be discussed by Pastor Luther Berven of Our Savior's Lutheran Church Sunday morning at the 10:45 service. Sunday School begins at 9:30 a.m. Holy Communion will be celebrated at the morning service, and several new members will be received through adult confirmation and letter of transfer.

On Sunday evening at 5, members and friends of Our Savior's will gather for their regular monthly potluck supper and family get-together. An inspiring Lenten movie, "Journey into Faith," which de- parsonage next Tuesday evening at will be shown.

The church council meets at the picts the main events of Holy Week, 8.

The Women of the Church are sponsoring a rummage sale to be held at the Coast Counties Gas and Electric Building in Walnut Creek on Friday evening and all day Saturday, February 2 and 3.

BRAKE WARNING

When the brake pedal suddenly goes farther down than usual, or when you have to pump the pedal to slow your car, your brake system needs an immediate check, warns the California State Automobile Association.

Lent Services at Lutheran Church

What would the main characters in the trial, crucifixion and death of Jesus Christ say to us if they could tell us their story now over 19 centuries later?

At the Midweek Lenten Services to be held at Our Savior's Lutheran Church each Thursday evening during Lent at 7:45 p.m., Pastor Luther Berven will speak on the men of the Passion Story — Judas, Peter, John, Caiaphas, the Roman centurion who stood guard at the foot of Jesus' Cross, and Simon who helped bear Jesus' Cross. The first of these services will be held next Thursday evening, February 8.

8th Grades Hosts At Schools Dance

Members of the three eighth grade classes of Lafayette School were hosts to eighth graders of Orinda and Walnut Creek Grammar Schools at a game dance at Lafayette School auditorium last Friday night.

The local youngsters organized the party themselves under the faculty supervision of their instructors, Mrs. Helen Cory, Wallace Moreskine and Fred Davidson.

Sports wear was the popular garb for the affair, which featured various novelty game dances to recorded music, followed by the serving of refreshments.

Planned not only as a get-acquainted party so the students who will be classmates at high school can get to know one another, the affair's proceeds supplement the treasury of the graduating class.

Cowboys Tamed By Dons, 49-48 In Practice Tilt

Literally running the Livermore Cowboys ragged, the Dons won a practice game at Acalanes gym Tuesday afternoon.

They led all the way except for a brief spell in the fourth quarter, and registered a 49-48 win.

BRILLIANT BALL

Victims of two one-point losses in league play, the inspired Dons played brilliant ball to outscore a Livermore team that never gave up.

The final minute of play found the Dons putting the ball in a "deep freeze" with Bob Winkenbach dribbling the ball all by his lonesome when the final buzzer sounded.

The local five definitely had to play one of their better games to defeat an opponent who had but a single loss in 14 games.

CLOSE ALL THE WAY

Closeness of the game was shown by the 15-13 first quarter, 28-24 halfway mark and 38-30 third quarter tally, along with the 49-48 final count.

Some brilliant shooting by Bob Rehder, six-foot-five Livermore center, put the Cowboys ahead for a brief spell in the closing minutes but a jump shot by Bob Fox and a quick lay-in on a stolen ball by Roger Linn gave the lead back to the Dons, never to be relinquished again.

FOX'S BEST GAME

Bob Fox, playing three quarters of the game, gave his best game of the season as he racked up 15 points based on seven field goals and one for three from the foul line.

Bob was a smoothie on defense, and his jump shots were unstoppable as he used a "feather touch" to lay the ball up and in more often than not.

Bobbie Borghesani hit for 11 points after a slow first half, while Roger Linn, the play-making guard, added 10 points to the cause.

13 BY FRANCISCO

Livermore's forward, Ken Francisco had 13, while Bob Rehder, ace center, tallied 12 for the losing side.

In the afternoon opener the Livermore Bees went on a rampage to snow the Acalanes Bees under in the second half, 38-24.

KLEMENT, WESTLUND

Mike Klement and Bob Westlund captured scoring honors for Acalanes with six points apiece, while Joe Mainz tallied six for Livermore.

The Cowboy Bees led all the way after the opening quarter and widened the gap in the closing minutes.

The Dons are out of action until the league game with Antioch at the Paper City next Friday night, February 9.

HUB OF IMPERIAL VALLEY

Brawley, located in Imperial County, is reported by the National Automobile Club to be the hub of the Imperial Valley and to be the largest shipper in the United States of such products as cantaloupes, watermelons and lettuce.

Dons Score 1st Win, Scalp Indians 52-42!

Third time out in league play proved to be the charm for the Acalanes Dons' Varsity casaba men last Friday night.

They slam-banged their way to an impressive league win on the home court over the sturdy and at times most capable John Swett Indians.

The Dons won with a comfortable 10-point margin, 52-42, but only after several uncomfortable moments in the third and early parts of the fourth quarter, when the Indians did a bit of scoring on their own.

GOOD FLOOR GAME

Paced by Bob Kleckner, the Dons displayed a good floor game from the opening whistle and went to an 11-5 first quarter lead.

The game stayed on fairly even terms in the second quarter, with each five on the cold side as far as hitting the elusive hoop was concerned.

VAIN SWETT TRY

Things really began to happen in the third quarter, however. John Swett gave with an 18-point barrage in a vain attempt to overcome Acalanes.

The Dons came right back to maintain the lead as they scored 17 points of their own.

Johnny Schneider was the big gun for Crockett, along with Ed Ladoucer; they counted 11 points between them.

FINAL BLOW

Early in the final period Schneider collected his fifth foul and retired to the bench. His loss proved to be the final blow for Swett's hopes, and the Dons surged to a well-established lead, never to be threatened again.

One thing was definitely proved — the superiority of the Dons' Big Bob Borghesani over Crockett's Al Ponti, who prior to the game had been rated as one of the best.

SCORING HONORS

Bob's floor play was far better. At one point he took the ball off the backboard nine consecutive times and found time to rack up enough points, 16, to capture scoring honors.

Bob Fox played an important role as he hit for 10 on some beautiful one-hand jump shots, while Roger Linn with nine and Art Siler with seven added their bit to the cause.

On the Indians' side Al Ladoucer and Johnny Schneider hit for 12 a piece.

FIRST WIN FOR DONS

The win was the first for the Dons after playing the hard-luck role in their first two outings, when they lost by one point margins on "last-second prayer shots" to Albany and Diablo.

The Dons were definitely superior in the Varsity game and emerged the winner but the tables were reversed in the Bee game.

Coach Blaine Stevens' lightweight five raced in, around and at times practically over the Don Babes for a decisive 42-27 win.

LED ONSLAUGHT

Forwards Al Giorgetti and Tommy Gillett scored 17 and 13 points, respectively, to lead the onslaught, while Mike Elvidge was the best all-around Don player, as well as top scorer, with nine points.

The Varsity win places Acalanes in fifth place in league standings, so far as percentages go.

However, that's not a complete picture inasmuch as the Dons have played one more game than Alhambra, which currently rests in the No. 4 spot.

BEES SHARE CELLAR

The Bees are tied with Alhambra for the cellar position, with each team still seeking win No. 1.

Other league games last week found Diablo in another Horatio Alger finish as it disposed of Antioch 52-42.

The Diablo Bees were rudely upset, however, when Antioch won in an overtime affair, 42-39.

The Martinez Bulldogs boast of a 39-37 win over Albany in the Varsity and came through, with reserves playing the final quarter, for a 48-27 Bee victory.

New Football Rules Still Leave Gaps Between High School, Collegiate Play

BY ERWIN MATTSON

WORD HAS JUST BEEN RECEIVED regarding the new football rules for the 1951 season.

Changes appear to have been held to a minimum but the colleges and high schools still have not put their heads together to develop a uniform set of regulations.

Failure to do so tends to confuse everyone connected with the game. Spectators, players and coaches see situations interpreted one way on Friday at the high school games and a different version given when Saturday or Sunday rolls around for collegiate play.

The rules are getting closer together, however, and some day one code will be adopted.

THE UNLIMITED substitution rule is evidently here to stay—for 1951 at least.

Last year the high school rule was stricter than the collegiate in that only two substitutes at one time could enter when the clock was running.

The new rule has the same regulation as the collegiate now, in that any number of substitutes may enter, regardless of whether the clock is running or not.

THE COMING SEASON will undoubtedly find fans discussing the pros and cons of the situation.

In a relatively short time, however, it will all be accepted as a matter of course.

It'll Be 'Happy Birthday' Many Times for Forum

Birthdays for all the members of the Lafayette Forum will be honored in one big Birthday Party to be held at the Tunnel Inn at 12:30 p.m., February 14.

Chairman Mrs. Clayton Herman stated that all was in readiness for a wonderful time and that each guest will receive a favor as an added surprise. She has been assisted in making the arrangements by Mrs. Lyle McKim, co-chairman, and her assistant, Mrs. Lloyd Holton.

Mrs. Herman pointed out that members wishing to attend should make reservations before next Tuesday, through either Mrs. Neil Cornwall in the Garibotti Building or Mrs. Mildred Andrews at Henry Andrews Real Estate Office.

The luncheon will be especially prepared for the occasion by Jay Bedsworth's chefs and is an unusually delightful three-course meal.

The table and decorations committees consist of Mesdames Marie Simmons, Pearl Weber, Liz Adair, Dorothy Hooper, Addie Smith, Kit Ower, Pearl McCoy, Alice Kennedy, Charlotte Herrmann, Mable Bowbeer, Adele Bacon, Hazel Haffner and Mildred Luedeman.

Each guest is asked to bring a used or new gift of either cards, pocket sized novels or small game for the Korean wounded. The committee arranging this is headed by Mary Hindman.

Holy Communion Service Planned

The Sacrament of Holy Communion will be held at Lafayette Community Methodist Church Sunday. The church invites all who "love our Lord and desire to live as Christians, with God's help, to share the Holy Communion with us." New members will be received at this service.

The Communion Meditation will be: "Does God care?" So often the question is raised, If God cared about us why does he let the war continue? Why does he let people suffer? How can God care about me when there are so many people in the world? These and other questions will be part of the Communion Meditation.

TEACHERS' ASSOCIATION

Contra Costa's representation on the Bay Section of the California Teachers' Association will be increased in 1951 as a result of the increasing number of teachers and CTA chapters in the county, it was learned today.

82 Attend County Newspaper Confab

Eighty-two persons attended the First Annual Newspaper Institute presented last Saturday at Las Palmas Hotel, Walnut Creek, by Contra Costa Junior College and the Contra Costa Press Club.

With Drummond McCunn, junior college district superintendent, acting as chairman, speakers included: Jack S. McDowell, San Francisco Call-Bulletin city editor, who talked on "Local Is Your Livelihood;" Dwight Bentel, William E. Gould and Lowell C. Pratt of the San Jose State College Journalism Department, who led a panel discussion on "Newspaper Management;" Willard Schmidt, director of the Police Training School at San Jose State College, whose topic was "Police and the Press," and Ira Blue, sports director of Radio Station KGO, who talked on "Publicity and the Community."

Blue was speaker at the dinner, which was attended by about 60.

Among those present were State Senator George Miller, Jr., and County Schools Superintendent B. O. Wilson. Representing the SUN was Julius Rosenthal, news editor.

Shave & Haircut Twenty Bits...

Haircuts are still a bargain in Contra Costa County this week.

At least they're a bargain compared to what you'll pay for the same work starting next Tuesday, when the price of head trimming will jump from $1.25 to $1.50.

Although children under 12 years will be shorn for $1.25 (now $1) on that date, all Saturday haircuts will cost $1.50.

The news was revealed last week when Master Barbers Local 917 met in Pittsburg. According to President Nino Buffo, the high cost of living and operation of shops was cited as reason for the raise.

Do you realize how much it costs when you go through the Tunnel to shop?

Also discussed was a mid-term presentation of earned badges to the girls at individual troop ceremonies.

REQUEST NEWS

Mrs. Axelson requested all leaders of Girl Scout troops and Brownie troops to send to Mrs. Robert Elder any news of interest regarding their troop activities for publicity.

Breakfast cakes and coffee were served by the hostess to the following who attended: Mesdames Fred Kronke, L. B. Ambler, M. Wiseman, C. M. Johnson, B. P. Olsen, R. F. Tharp, Chris Olson and W. A. Clayton.

BEAUTIFUL DECORATIONS

Many compliments have been received by Orinda School Girl Scout Troop 35 for its interesting decorations at the last Mothers Club meeting, particularly the one on the tea table depicting an informal garden scene. On a large pottery dish, a moss covered bridge crossed a woodland pool. Trees and tiny animals were in the background, with the foreground done in miniature succulents.

This troop acted as hostesses for the meeting and served tea cakes in the flat baskets which they had recently completed.

Christian Science Sermon for Sunday

"Love" is the subject of the Christian Science Lesson-Sermon for Sunday, February 4, with the Golden Text taken from Zephaniah: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing."

Citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will include the following:

I Chronicles 16:31, 34: "Let the heavens be glad, and let the earth rejoice: and let men say among the nations, The Lord reigneth. O give thanks unto the Lord; for he is good; for his mercy endureth for ever."

Science and Health: "The understanding, even in a degree, of the divine All-power destroys fear, and plants the feet in the true path, — the path which leads to the house built without hands 'eternal in the heavens.' Human hate has no legitimate mandate and no kingdom. Love is enthroned" (p. 454).

Shipmates See Travel Film

Shipmates, the youngest couples club of the Orinda Community Church, met recently for their January meeting at the Wehmeier home. Installation of new officers and an inviting movie of Caribbean resorts comprised the formal program.

Outgoing skippers, Mollie and Chuck Blue and Peggy and Harvey Wehmeier, were presented with lovely potted plants in recognition of their tour of duty. George Trimble, a flight engineer with Pan-American, recounted highlights of his worldwide flying experiences. And members and guests enjoyed the fun and informality of thumbnail sketches of how they met their respective spouses and why they located in Orinda. Refreshments were served by Martha and Lee Atkins and Helen and Roy Clark.

The Shipmates meet on the fourth Friday evening of each month usually in the home of members. This year the group anticipates a series of interesting and stimulating programs from progressive dinners and garden planning to panel discussions and a minstrel show.

Young couples of the community are invited to visit the group and to become members. Ruth and Art Henry of Brookside Road are the skippers in command and welcome any inquiries.

Issue Residence Permits Here

Four residence and garage permits and an o.k. for garage alteration were issued in the area for the week ending last Friday.

Residence and garage construction permission was granted the following:

Owner and Builder Stanley Chmura, Berkeley, Lot 27 Longview Terrace and Orchard Road, Moraga Park; estimated cost $13,866.

Owner Glorietta Corporation, Orinda, Lot 123 Hillcrest Drive and Overhill Road, Moraga Meadows No. 4, Builder Hancock Construction Company, Lafayette; estimated cost $8,700.

Owner J. L. Gates, Berkeley, Lot 17 Irving and Glorietta, Moraga-Glorietta No. 1, Builder John Buestad, Alameda; estimated cost $9,152.

Owner and Builder E. J. Bergeron, Oakland, Lot 31 El Nido Court and La Cresta Road, Moraga Del Rey; estimated cost $8,712.

R. E. Wadsworth was granted a permit for altering the garage at Lot 154, No. 124 Brookside Road and Estates Drive, Moraga Estates, at an estimated cost of $150.

Mrs. Klinkner's Grandmother Dies

Funeral services for Clara E. Tierney (Baleria) of El Cerrito, grandmother of Mrs. E. E. Klinkner and great-grandmother of Margaret Ann and Ronalee Klinkner, were held Thursday of last week at the Little Chapel of the Flowers in Berkeley. She died January 23 in an Eastbay hospital.

Mrs. Tierney was the mother of Mrs. Frank Carbis of El Cerrito and of Durwood Baleria of Oakland, and step-mother of Bernard Tierney of Oakland and Leo Tierney of Oregon. Other survivors are two sisters, Mrs. B. Cameron of Denver, Colorado, and Mrs. C. Regaldo of Detroit, Michigan.

She was a member of Sunset Rebekah Lodge 109 of Oakland. Aged 71 years, Mrs. Tierney was a native of New Jersey.

Orindans Win in Photo Contest

At a dinner meeting at the College Women's Club recently, the Berkeley Camera Club selected its winning prints and slides for the year 1950. This competition consists of the prints and slides in different classifications which took either first or second place in monthly competitions throughout the year.

Orinda photographers, many of whom are members of the Berkeley Camera Club, were well represented among those who won. In the advanced division, R. C. Diehl took first place with his print showing a stairway framed in a doorway at one of the historical buildings at San Juan Bautista.

In the Salon division, Challiss Gore took first place with his picture entitled "Neighbor," showing an old buckaroo leaning over a broken picket fence. This was chosen Print of the Year from the prints of all classes. Last year it was also a winning print at the Contra Costa Camera Club.

Ben Randall took second place in the Salon division with "Afternoon Shadows," a scene captured at a ranch on the Sonoma Coast.

In the landscape classification of the Color Section, Ben Randall took first place with a Yosemite Valley snow scene entitled "Winter Sunset," and third place with a springtime scene photographed near Antioch.

Second place went to Challiss Gore for a picture entitled "Lace Work," showing the lacy ebbtide of the Pacific as seen from Sutro Heights in San Francisco. Ben Randall's "Winter Sunset" was chosen Slide of the Year.

A picture taken at the same location by Randall when the trees were in their autumn foliage was the slide of the year for 1949.

In the general classification of color slides Challiss Gore's study of the gnarled hands of a cow puncher was placed first.

Judge for both black and white prints and color slides was K. V. (Pinky) Arntsen, F.R.P.S., A.P.S.A., of Berkeley, a director of the national organization, Photographic Society of America. He is one of the nation's leading salon exhibitors for many years and probably the nation's outstanding photographer of character studies.

Cubs to Hear of African Adventures Tonight; Awards Will Be Presented

Tonight at 7:30 Cub Pack 32 will again meet in the Orinda school auditorium. A special treat is being provided for the boys and their parents, according to Cubmaster Rudy Rasmussen.

In accordance with the theme of the month, which is "Animals," Sidney A. Snow, director of the Zoological Gardens in Oakland, will talk on some of his adventures in Congo Africa.

At this meeting Donald McMacken will be introduced; Bob Newman and John Coffey will become Bobcats.

ACTIVE MONTH

The dens have been very active this past month. Dens 7, 9 and 10 visited Snow's museum in Oakland to see the animals and hear talks on the interesting historical collection.

Den 2 has been studying two main rivers in California, and making miniatures of the things of interest that are found along the river. These have been placed on a relief map of California.

Den 5 visited the Department of Anthropology at the University of California. Dr. Camp met them and explained some of the fossils. Dr. Camp also showed them the animal pictures taken on his recent expedition.

KNOT BOARDS

Boys of Den 4 have completed knot boards and are now collecting newspapers and magazines for the Therapy Center. Money that is raised will buy equipment for the center.

Boys of Den 4 receiving awards at tonight's meeting are Walter Bumgarner, Gary Lucas, Jeff Rankin, Dick Schrieber, Michael Catherall and John Ogden.

Den 6 visited the shop of Bob Nordquist, taxidermist. Here also are painted mounted models of animals.

ANIMAL MODELS

Den 3 has been making animals out of wire, rags, paper mache and paint. They study charts showing the animal life of the different continents and the North and South Poles. They plan to visit Grizzly Stables on Bald Peak.

Tonight's awards for Den 1: Gary Beeman will receive his Lion badge, plus one gold and three silver arrows; Gary Bottjer will receive one silver and one gold arrow; Michael Gillivan, Wolf badge plus one gold and two silver arrows.

Den 7 has been modeling and painting clay animals. Tommy Thurston is to receive his Lion award tonight. George Navone will receive his Bear badge.

QUIZ PROGRAM

Den 10 enjoyed a visit to Snow's museum. The curator conducted a quiz program about mounted animals. The boys of Den 10 have also made copper animal heat mats and are now working on animal puzzles.

Assistant cubmasters are Frank DeWolf and Norman Coates. Den mothers are: Den 1, Mrs. John Gillivan and Mrs. R. E. Bottjer; 2, Mrs. Herbert Teachout; 3, Mrs. Kirk Miles; 4, Mrs. James Lucas; 5, Mrs. H. Gathings; 6, Mrs. Ralph Phelps; 7, Mrs. Norman Coates; 8, Mrs. David Lee; 9, Mrs. Joseph Brothers; 10, Mrs. James Brooks.

Saturday Show: Shep Comes Home

Teatro para Ninos tomorrow presents "Shep Comes Home." This children's show, with a different program each time, is held every Saturday from 1 until 3 at the Orinda School Auditorium.

Children Give $254 to Dimes Drive

Joseph L. Sheaff, district superintendent, Orinda Union School District, today reported that pupils of Orinda and Glorietta Schools contributed a total of $254.75 to the 1951 March of Dimes.

Sheaff, chairman, March of Dimes for the Orinda area, said the enrollment in the two schools totaled 941 boys and girls.

William J. Scanlon, county campaign chairman, Contra Costa chapter, stated:

"This contribution represents an average of 27 cents per pupil. It is a shining example demonstrating that not only are our children aware of the danger of their common enemy, infantile paralysis, but also how they may militantly go about helping defeat it. Contra Costa Chapter is proud and grateful of the children of Orinda schools."

Lawyers Tangle In Divorce Case

Attorneys' fees in the C. Wadsworth White divorce case were causing dissension last week among the lawyers involved.

In a motion for a new trial on the $750 awarded Mrs. Dorothy Hallford White, Las Vegas Road, Oliver F. Fenstermacher of Pittsburg, White's own attorney, took exception to the number of lawyers taking charge of Mrs. White's action. The contested divorce suit still has to be set for trial.

The motion held that "The law does not require the husband to pay four separate law firms for representation in a simple divorce and child custody suit which any reasonably competent lawyer could handle alone as a relatively routine case."

In answer, Mrs. White's attorneys, Ray A. Sharff, Jacob Ehrlich, H. Ward Dawson, all of San Francisco and Thomas McBride of Martinez, held in their motion that the court has no authority to grant White's motion and asked that it be denied.

Mrs. White's legal battery had requested $10,000 in fees. The award of $750 was made December 7 by Superior Court Judge pro tem S. C. Masterson.

White's attorney's motion was "made upon the premise that the husband already has paid $150 attorney's fees and $20 court costs pending trial of the divorce action and the evidence shows no reason for further awards."

Pay Raise Asked For B. O. Wilson

Recommendation to the State Legislature that the annual salary of County Superintendent of Schools B. O. Wilson be increased from $7,596 to $10,000 was made by the Board of Supervisors Monday.

The resolution containing the recommendation was passed unanimously.
